Address: Suite 8 Keynes House, Chester Park, Alfreton Rd, Derby, DE21 4AS

Other Information:

Trade Web Solutions is an established team of designers and web developers based in Derby, specialising in the development of corporate websites. Our strengths lie in the bringing together of all of the skills necessary to develop successful websites, including content managed websites, online database applications such as online catalogues, ecommerce systems and Extranet applications.

We also provide all the essential technical support including email, hosting services and ongoing online marketing services to make your website a success.

These services include

- Domain name registration and management
- Initial optimisation and a submission to the search engines
- Pay per click campaign management
- Email marketing campaigns

Proactive Assistants

Business Type: Business Support in Administration & Customer Service

Phone Number: 0560 2052330

Mobile Number: 07969 199325

Web Address: www.proactiveassistants.co.uk

Address: 12 Russell Close, Uttoxeter, Staffordshire, ST14 8HZ

Other Information:

Save time and money. Outsource your business support to us.

We have a wealth of experience in Administration and Customer Service Management. Accustomed to working in high pressure environments, in dealing with highly confidential matters and achieving deadlines. Being well organised; focused; forward thinking and committed to continually strive to provide the highest level of service to ensure integrity and professionalism at all times.

Professional Virtual Administration for YOUR business.

Proactive Assistants is a virtual office service operating across the UK, providing virtual support remotely from its UK based offices.

We tailor our services to your precise needs - whether they are interim or long term.

Proactive Assistants will gain an understanding of your business and how you work, offering you a professional, confidential and personalised service.

Proactive Assistants focus on assisting Professional Speakers, Membership Organisations, SMEs and Sole Traders, that require the knowledge and skills of an experienced virtual assistant, but only want that assistance when it suits them.
