1. Apologies – Jo Smith, Tim Allen

- ④ The note taker at the meeting will chair the next meeting.

2a/b Vision task and finish group update

- ④ The format of the vision was approved and the cover photo
- Ⓐ Alternative photographs are required of a village, Dovedale with people and an alternative livestock image – ALL to send any suitable images to Sarah Bird
- Ⓐ A short comms. piece is required to explain why and how the vision has been developed and explain why local communities haven't been more involved in the process.– SF to write – Done, see email and ALL to let Sue have comments.

2c Vision launch

- ④ The soft launch approach was agreed with a visit to two farms and lunch, a brief is needed to help us understand how the principles of the vision can be applied on different types of farm.
- Ⓐ FD/SF to write brief and circulate, the relevant PDNPA/NE officer to be informed of the proposed visits.

3 PR19 task and finish group update

- ④ Farm advice needs to be co-ordinated, particularly around diffuse pollution and there needs to be closer working with Severn Trent Water
- Ⓐ Severn Trent Water to be asked for a line about the importance of the White Peak as a catchment for the vision – MH
- Ⓐ Discussions to continue with STW particularly about projects for PR19 – MH

4 Brexit task and finish group update

- ④ Following the setting up of a farmer focused group looking at post BREXIT schemes, a wider meeting is now required to look at principles and more details of a potential scheme. SF has started work on a draft paper.
- Ⓐ The EA are looking at the use of LIDAR data to identify high risk pollution areas (eg sink holes). MH to explore this further and send SF a paragraph about protection of vulnerable areas for the paper.
- Ⓐ SF to organise wider White Peak BREXIT meeting to move forward development of a White Peak plan.

5. Workshop finalising notes

Ⓐ FD to ask JS for the latest version of the notes, ALL to provide comments as required.
