Linger at Langsett’s oasis or loop along the woodland water-front promenade.

Access for Many Route:
1. Start from the rear right-hand corner of the car park and follow the field-edge path until a path is met on the left.
2. Descend along the woodland path until a turning on the right to a clearing with a pond and seating.

Access for Some Route:
1. Start from the rear right-hand corner of the car park and take the lower path.
2. Go through the gateposts down a steep slope to the reservoir side.
3. Continue along a well-surfaced level woodland path and up a climb to meet a forest track.
4. Turn right and follow the track uphill through the woodland before continuing parallel to, but at some distance from, the main road before meeting the field-edge path back to the car park.

The large double doors of the 17th century Langsett Barn allowed fully-laden horse-drawn carts to gain access.

The valve tower at the dam replicates the gatehouse of Lancaster Castle.

The Tour de France cycle race passed through Langsett in 2014.
