

Briefing Note

Peak District National Park Local Access Forum

Date of meeting Saturday 22 September 2007

Subject: Report on the respondents results "*Is this the Right Way*"
Prepared by Terence Cavanagh
For: Members
Date: 4 September 2007

As you will be aware the closing date for the public consultation on the Council's draft rights of way improvement plan will have closed on Friday 7 September 2007.

Due to the short period of time available to analyse and then produce the results from respondents, I intend to request from JMP Consulting that they provide for members attending the meeting a summary of the findings from the returned questionnaires.

I am also pleased to attach for your information a copy of the comments now received from Natural England,

Best Regards

Terence Cavanagh
