VEHICLES

2. (1) No person shall, without reasonable excuse, drive or ride any vehicle on the land or bring or cause to be brought on to the land any vehicle except on those hard surfaced areas of the land which have been set apart by the Authority as parking places.
- (2) This Byelaw shall not prevent the driving or riding of those vehicles on the land for the purpose of parking in a space set apart for that purpose or on a route between it and the entrance to the land.
- (3) No person shall, without reasonable excuse, drive or ride any vehicle on the land except for the purpose of parking.
- (4) No person shall on the land abandon any cycle or vehicle.
- (5) Where by notice on site a parking place is described as not being available for vehicles over a specified weight and/or height and/or length, no person shall cause or permit a vehicle exceeding those specifications to be parked in that parking place.
- (6) If parking bays are marked out on the land the driver of a vehicle shall ensure that it is positioned wholly within a parking bay and shall not permit it to wait on the land unless it is so positioned.

- (7) If parking bays are not marked out on the land the driver of a vehicle shall ensure that it is positioned so that it does not obstruct other vehicles using the land, the free flow of traffic circulating within the land, any access to premises adjoining the site and the entrances to and exits from the land.
- (8) No person shall cause or permit a vehicle to be parked in a parking bay marked for disabled persons unless the vehicle displays a valid disabled person's badge in the relevant position and immediately before or immediately after the act of parking the vehicle has been or is about to be used by the person(s) in respect of whom the disabled person's badge has been issued.
- (9) No person shall continue to run the engine when the vehicle is in a parking place nor start the engine except when about to change the position of the vehicle in or to depart from the land.
- (10) With the exception of sub-paragraphs (3) and (4) this Byelaw shall not extend to invalid carriages.

- (7) A pay and display ticket is not transferable from one vehicle to another and on transfer the ticket ceases to be valid. A pay and display ticket is only valid in the parking place in which it was issued.
