

## **ADOPTION STATEMENT**

### **Peak District National Park Authority**

### **Residential Annexes Supplementary Planning Document**

Following public consultation the Residential Annexes Supplementary Planning Document for the Peak District National Park (referred to as the Residential Annexes SPD) was adopted by the Authority on 10<sup>th</sup> of February 2020.

Following consultation, and prior to adoption, the Residential Annexes SPD has been subject to minor modification. These modifications do not materially affect the scope of guidance within the Residential Annexes SPD.

The Residential Annexes SPD provides guidance to the Authority's Core Strategy (2011) and the Development Management Policies Document (2019) which form the statutory development plan for the Peak District National Park.

Section 35 of the Town and Country Planning Act requires the Authority to make the Residential Annexes SPD available for inspection for a period of three months after publication. In line with the Temporary Amendment to our Statement of Community Involvement and the government's guidance relating to how local planning authorities should respond to COVID 19, the SPD can be inspected via our website at
