DESCRIPTION A line of 8 mature pines at the bottom of the garden next to the rail way line. Remove 5 of the pines as they are a) very close to the railway track and b) blocking the views across the valley for all neighboring properties. The trees have limited landscape value and low amenity value. Replanting with a mix of beech and hawthorn hedging along the boundary with the occasional signature oak

DESCRIPTION Shown in the photographs are a group of hawthorns, one of which has already pushed the wall over. There are also four more that are growing too close to the wall and so request permission to remove them all in order that the wall be repaired and to prevent further damage in the future. All photographs are clearly marked up with the implications. All work to be carried out to BS3998:2010
