---------------------------	---	--	-----	------------------------

DESCRIPTION To lower and stabilize a silver birch tree that leans over in a southerly direction, if this fails in the top section it will cause significant damage, and also this will hopefully stop the tree from leaning over, as I would like to retain this asset. Also to remove a large gold conifer that continues to grow and suppresses other trees and hedge row that was set in agreement with Peak Park many years ago.

PARISH Parwich
