

Longdendale Environmental Centre

Directions to Crowden

Just some points to help you find Crowden, but it's hard to miss.
There are not many places along the A628

If travelling on the A628 from the direction of Sheffield, Crowden (car park) entrance is on the right-hand side of the road a few minutes after the A6024 turning for Holme Firth.

If travelling on the A628 from the direction of Manchester, Crowden is about five miles further up the valley from Tintwistle and the Longdendale Environmental Centre. The (car park) entrance is on the left-hand side of the road.

- There is a car park here. A caravan site and Youth Hostel are further along the track. Please do not go passed the car park entrance as there is no turning space beyond.
- Coaches are asked to park in the car park, turning down with care. Our leaders will meet you here.
- There are toilets at Crowden adjacent to the car park.
- At lunch the coach will be asked to transport the group to The Longdendale Environment Centre SK13 1HS, this is around a 5-10 minute journey. The coach will remain here until the end of the day before returning to school.
- If you need to borrow wellies and coats please ring the centre on 01457 855487 the day before your visit with sizes; or email learning.discovery@peakdistrict.gov.uk It will be much more enjoyable for the pupils if they have wellies and can go in the river, weather permitting!
- Postcode for the car park, Camping and Caravan site is SK13 1HZ.
