Dear Ms Metcalfe

LEEKFRITH NEIGHBOURHOOD PLAN - REGULATION 16 CONSULTATION

Thank you for the invitation to comment on the Leekfrith Submission Neighbourhood Plan.

Historic England has no adverse comments to make upon the plan which we feel takes a suitably proportionate approach to the main historic environment issues pertaining to Leekfrith.

We are pleased that our suggestions at the Regulation 14 stage have been accommodated in this iteration of the Plan and can confirm that our other Regulation 14 comments remain entirely relevant. That is:

"We commend the identification of the Upper Hulme Mill site in Policy 1 as a site for future development. Historic England strongly supports the retention and sympathetic conversion of the historic buildings at the mill site".

I hope you find this advice helpful.

Yours Sincerely

Peter Boland
