

Directions to Crowden

We will meet your coach at the entrance road for Crowden car park. The post code is **SK13 1HZ** HOWEVER if used in Google maps this will take you down the road for the village rather than the car park! As you near the location please look out for signs for the car park.

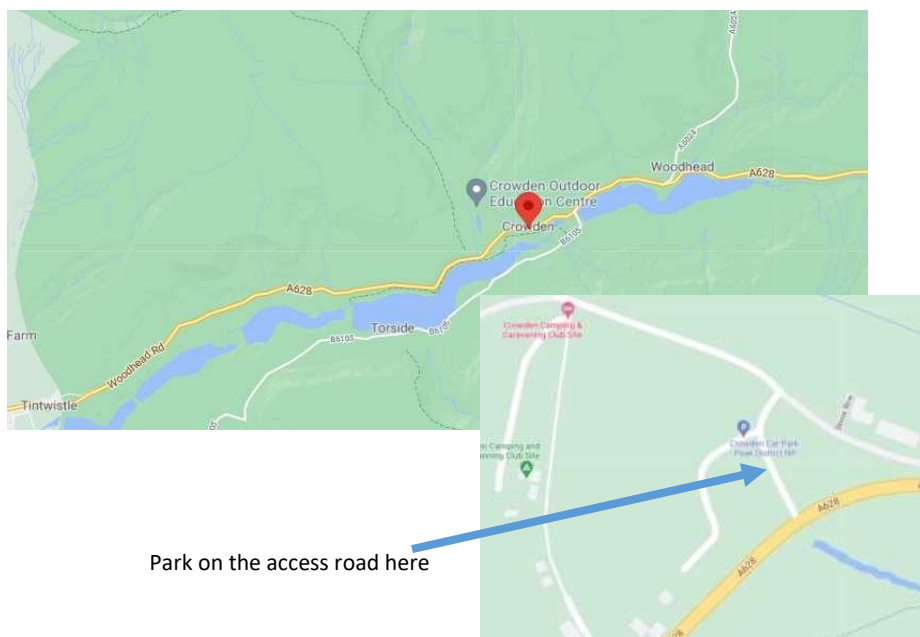

- What3words for the car park entrance road: **///speedily.forgives.zoomed**

If travelling on the A628 from the direction of Manchester, Crowden is about five miles further up the valley from Tintwistle and the Longdendale Environmental Centre. The (car park) entrance is on the left-hand side of the road.

If travelling on the A628 from the direction of Sheffield, Crowden (car park) entrance is on the right-hand side of the road a few minutes after the A6024 turning for Holmfirth.

Parking – do not enter the car park

- As you turn off the main road, you enter a wide access road. You will need to park the coach on the road here, rather than turning down into the car park entrance (the road is steep, and the car park sometimes gets full, meaning that there can be little room to turn).
- You can make a 3-point turn by backing into the car park entrance. Please do not go past the car park entrance as there is no turning space beyond.
- Our leaders will meet you here at the entrance to the car park. There are toilets at Crowden, adjacent to the car park; we will make sure the group gets chance to visit these at the start of the day.

Note: Generally, the plan is to spend the entire day outside at Crowden and have a picnic lunch, but, in the event of extreme weather, the coach will be asked to transport the group to The Longdendale Environment Centre at lunchtime (postcode SK13 1HS, this is around a 5- 10 minute journey). Therefore, your coach needs to be available for the day.
