

Directions to Longdendale Environmental Centre

Here is a short guide to help you find your way to the Longdendale Environmental Centre. This site is fairly easy to find, with signs visible on the drive in if coming from the direction of Manchester.

Address for the centre: Longdendale Environmental Centre, United Utilities Bottoms Office, Tintwistle, Glossop, Derbyshire, SK13 1HS

If travelling on the A628 from the direction of Sheffield:

- About 10 minutes after passing Crowden, pass the centre on your left-hand side and carry on for half a mile
- Use the bus turning circle, on your left just after the water treatment works in Tintwistle
- Follow directions below from the A628

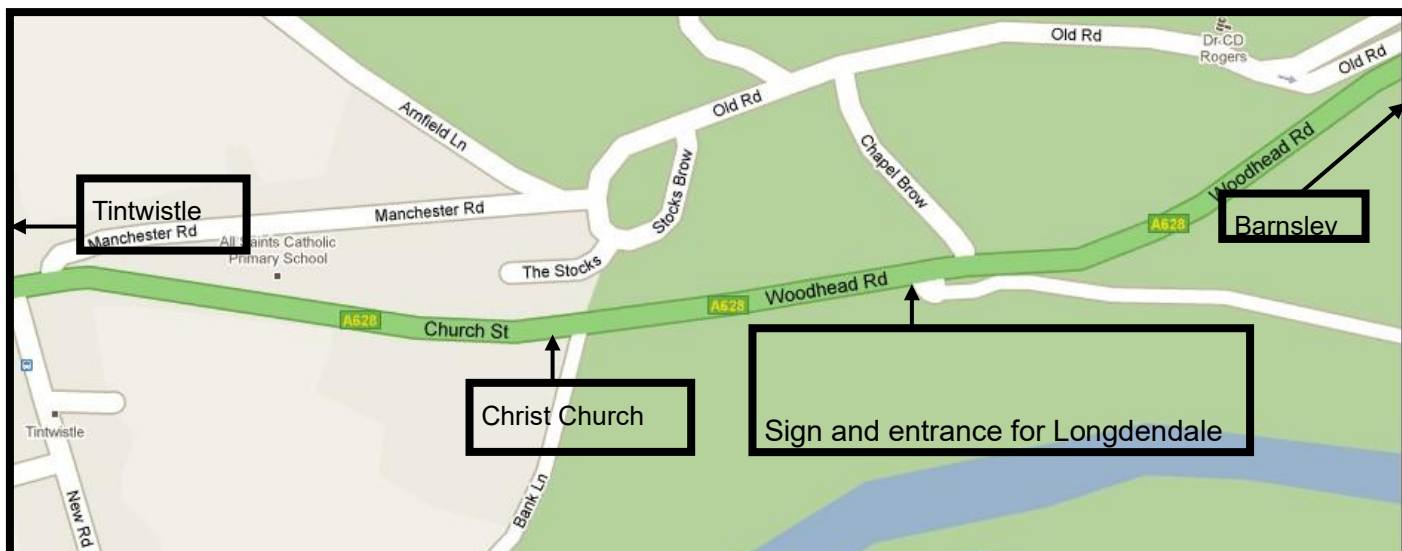

If travelling from the M67 (Manchester):

- At the roundabout, take the **2nd** exit onto **Hyde Rd A57** heading to Barnsley/A628/Sheffield/A616/Glossop
- Continue to follow **A57** through Mottram then A628 to Hollingworth
- Continue onto **Market St A628** signs for **Sheffield (A616) & Barnsley**
- Continue to follow **A628 passing through Tintwistle**
- As you leave Tintwistle, look for a sign for the centre (and then a larger United Utilities Longdendale sign) on your right
- **Parking** – Do not enter the first entrance you pass. Follow the map on the following page.

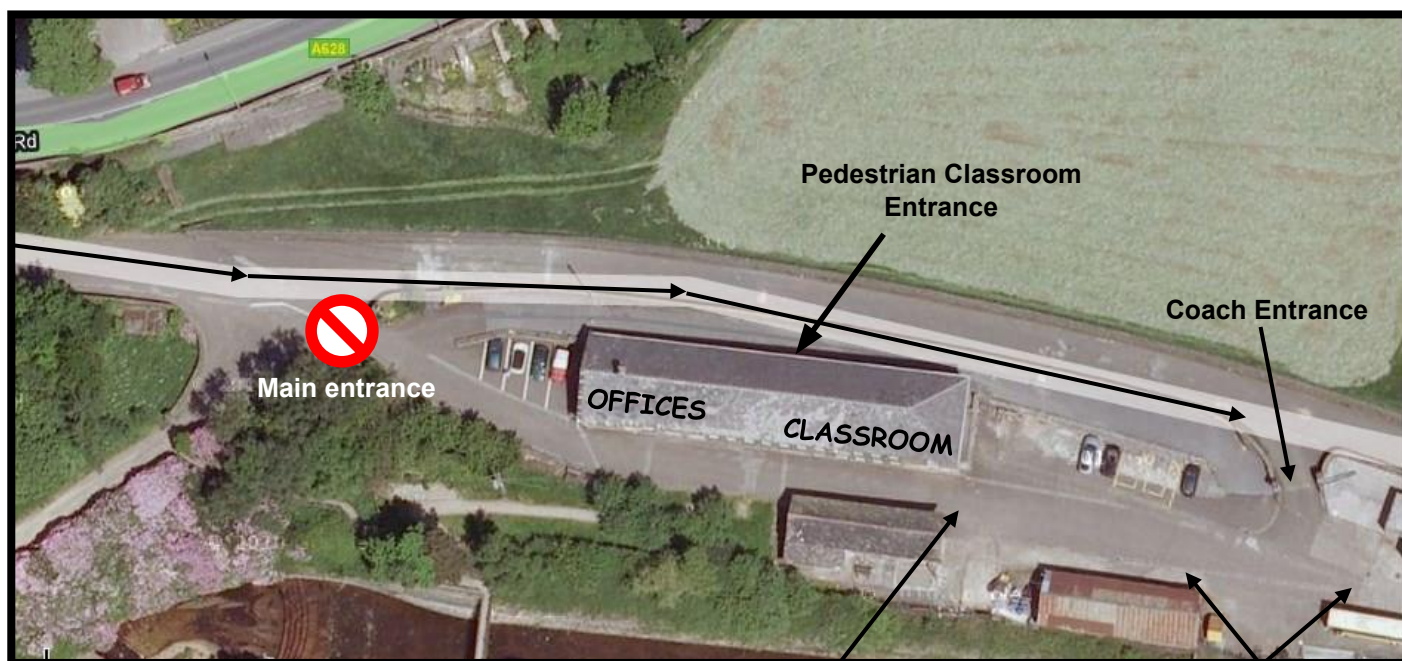

What if you miss the turning?

- Carry on to Crowden turning (approx. 4 miles, turning on your left)
- There is space to turn there in the car park entrance
- Come back down the A628
- Pass the centre and carry on for half a mile
- Use the bus turning circle, on your left just after the water treatment works in Tintwistle
- Follow directions as above from the A628

Our leaders will meet you here once your coaches have parked and we will guide you in to the Longdendale Environmental Centre. We have a main classroom where we will be initially based. There is access to toilets here and we will ensure the group gets chance to use these at the start of the day.
